#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the Greater Hartford Arts Council, Incorporated Hartford, Connecticut

#### Report on the Financial Statements

MahoneySabo

We have audited the accompanying financial statements of the Greater Hartford Arts Council, Incorporated (the "Arts Council", a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Greater Hartford Arts Council, Incorporated as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Detailed Summary of United Arts Campaign Grants and Allocations is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report, dated May 14, 2018, on our consideration of the Arts Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Arts Council's internal control over financial reporting and compliance.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **DECEMBER 31, 2017 AND 2016**

#### **NOTE 1 - NATURE OF OPERATIONS**

The Greater Hartford Arts Council, Incorporated (the "Arts Council") is a nonprofit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Arts Council was organized to coordinate, promote, sponsor, encourage and develop cultural, artistic and educational activities in the Greater Hartford area. The Arts Council is supported primarily by individual, corporate and foundation contributions.

#### PROGRAM AND SUPPORTING SERVICES

#### **United Arts Campaign grants**

The Arts Council awards grants to arts, cultural, community and other nonprofit institutions, and individual artist fellowships and commissions. Grant awards are made on the basis of recommendations by a volunteer review process with the ratification of the Board of Directors.

## Planning, Promoting, Community Service and Arts Education programs

The Arts Council provides distinctive services and programs to art institutions and communities within the Greater Hartford region. Staff salaries and administrative overhead are allocated across the following programs:

Arts Education Programs - These programs increase access to the arts in schools and among students during the academic year, and provides jobs in the arts and career preparedness training for urban and suburban youth during the summer.

Arts and Community Promotion Programs - These programs include collaborative marketing that promote arts and entertainment; public relations for the Arts Council's programs and advocacy initiatives for the arts community; promotional projects; and public events that increase access to and availability of arts and entertainment.

#### Fundraising - United Arts Campaign

United Arts Campaign refers to the planning and administering of the annual fundraising drive on-behalf of multiple agencies and programs that enables grants and services. Costs include workplace campaign materials and special events for donors.

#### Management and General

Management and general include administrative expenses not allocable to program areas.

#### RECLASSIFICATIONS

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

#### **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

#### **NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

#### **USE OF ESTIMATES**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

#### **CASH EQUIVALENTS**

For purposes of the statements of cash flows, the Arts Council considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

#### RESTRICTED CASH AND CASH EQUIVALENTS

Restricted cash and cash equivalents consist of funds received from organizations for which the Arts Council is acting as a fiscal agent. The amount of cash and cash equivalents to be distributed to or on-behalf of the organizations have been presented as restricted cash and cash equivalents with a corresponding fiscal agent payable in the accompanying statements of financial position as of December 31, 2017 and 2016.

#### PROPERTY AND EQUIPMENT

Acquisitions of property and equipment that individually exceed \$1,000 are capitalized at cost, or at fair market value if donated, and are depreciated on a straight-line basis over their estimated service lives or the remaining lease term, if shorter, as applicable. Repairs and maintenance are expensed as incurred.

#### **NET ASSET CATEGORIES**

To ensure observance of limitations and restrictions placed on the use of resources available to the Arts Council, the accounts of the Arts Council are maintained in the following net asset categories:

#### Unrestricted

Unrestricted net assets represent available resources other than donor-restricted contributions.

#### Temporarily Restricted

Temporarily restricted net assets represent contributions that are restricted by the donor either as to purpose or as to time of expenditure.

#### Permanently Restricted

Permanently restricted net assets represent contributions received with the donor stipulation that the principal be invested in perpetuity and that only the income earned thereon be available for use.

The Arts Council allocates income in accordance with donor restrictions and Connecticut law, which follows the provisions of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA").

#### **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

#### **NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### **RECOGNITION OF SUPPORT AND REVENUE**

#### **Contributions**

Contributions are defined as voluntary, nonreciprocal transfers.

Unrestricted and unconditional contributions are recognized as support when received or pledged. Contributions are reported as temporarily restricted support if they are received with donor stipulations that limit the use of such assets. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on those amounts is computed using a rate reflecting the risk involved and is amortized based on the expected receipt date of the gift. Amortization of the discount is included in contribution support. Conditional promises to give are not recognized as support until the conditions are substantially met.

#### **Contributed Assets**

Contributed assets, including the usage of assets such as rent, are recognized at their estimated fair market value. In the absence of donor stipulations regarding how long contributed assets must be used, the Arts Council has adopted a policy of implying a time restriction on contributions of such assets that expires over the assets' useful lives. As a result, all contributions of property and equipment, and of assets contributed to acquire property and equipment, are recorded as temporarily restricted support.

#### Contributed Services

Contributed services are recognized at their estimated fair market value if they create or enhance nonfinancial assets or require specialized skills and would typically be purchased if not provided by donation. General volunteer services do not meet these criteria for recognition in the financial statements.

#### <u>Grants</u>

Grants are generally considered to be exchange transactions in which the grantor requires the performance of specified activities.

Entitlement to cost reimbursement grants is based on the expenditure of funds in accordance with grant restrictions and, therefore, revenue is recognized to the extent of grant expenditures. Entitlement to performance based grants is based on the attainment of specific performance goals and, therefore, revenue is recognized to the extent of performance achieved. Grant receipts in excess of revenues recognized are presented as deferred revenue.

#### **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

#### NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **PROGRAM SERVICES - GRANTS**

The Arts Council records grants to beneficiary organizations or individuals upon approval of the grant by the Board of Directors or upon the issuance of commitment letters.

#### **EXPENSES BY FUNCTION**

The costs of providing the Arts Council's program services have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated between program services and supporting services.

#### **ADVERTISING**

The Arts Council's policy is to expense advertising costs when the advertising takes place. Advertising expense for the years ended December 31, 2017 and 2016 totaled \$17,844 and \$35,983, respectively. This amount includes non-cash contributions as disclosed in Note 11.

#### **INCOME TAXES**

The Arts Council is a nonprofit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Arts Council's federal informational returns generally remain open for the last three years.

#### **NOTE 3 - CONCENTRATIONS**

#### CONCENTRATIONS OF CREDIT RISK

The Arts Council's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, contributions receivable and grants receivable.

Cash and cash equivalents - The Arts Council places its cash and cash equivalents in highly rated financial institutions, which are continually reviewed by management for financial stability. The Arts Council's cash and cash equivalents in deposit accounts may at times exceed federal depository insurance limits throughout the year. However, the Arts Council has not experienced any losses in such accounts and believes that its cash and cash equivalents are not exposed to significant credit risk.

#### NOTES TO FINANCIAL STATEMENTS (Continued)

#### **DECEMBER 31, 2017 AND 2016**

#### NOTE 3 - CONCENTRATIONS (Continued)

## CONCENTRATIONS OF CREDIT RISK (Continued)

Contributions receivable - Contributions receivable are due primarily from individuals, corporations, foundations and governmental entities. Approximately 50% of contributions receivable is due from two contributors as of December 31, 2017. Approximately 12% of contributions receivable were due from one contributor as of December 31, 2016. Management has established an allowance for uncollectible contributions of \$95,000 and \$96,000 as of December 31, 2017 and 2016, respectively.

*Grants receivable* - Grants receivable represent amounts due from the State of Connecticut. Receivables due from the State of Connecticut are deemed to have negligible credit risk. Accordingly, management has not established an allowance for potential credit losses.

#### **FUNDING SOURCE CONCENTRATIONS**

The Arts Council receives a large number of contributions and grants each year, any one of which may not be received in subsequent years. As of December 31, 2017, 22% of the Arts Council's total support and revenue was provided by one contributor. As of December 31, 2016, 21% of the Arts Council's total support and revenue was provided by one contributor. Significant decreases in funding from this contributor could impact the Arts Council's financial position and its ability to deliver its program services.

#### **NOTE 4 - FAIR VALUE MEASUREMENTS**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, as of the measurement date. Authoritative guidance establishes a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The following summarizes the fair value hierarchy:

Level 1. Quoted prices in active markets that are unadjusted and accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2. Quoted prices for identical assets and liabilities in markets that are not active, quoted prices for similar assets and liabilities in active markets or financial instruments for which significant observable inputs are available, either directly or indirectly such as interest rates and yield curves that are observable at commonly quoted intervals; and

Level 3. Prices or valuations that require inputs that are unobservable.

#### **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

#### **NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

The fair value measurements of the Arts Council's beneficial interest in assets held by a community foundation as of December 31, 2017 and 2016 is categorized as a Level 3 measurement since the Arts Council's share in these assets do not have an active market. The Arts Council estimates the recurring fair value based on the Arts Council's share of the underlying investment portfolio.

The following is a summary of the change in fair value of the beneficial interest held by a community foundation using significant unobservable inputs for the year ended December 31, 2017 and 2016:

	 2017		2016	
Balance, beginning of year	\$ 41,827	\$	40,745	
Distributions	(1,690)		(1,667)	
Investment earnings	 6,860		2,749	
Balance, end of year	\$ 46,997	\$	41,827	

#### **NOTE 5 - CONTRIBUTIONS RECEIVABLE**

#### **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

## NOTE 7 - REVOLVING LINE OF CREDIT

The Arts Council has available a \$350,000 revolving line of credit that is due on demand with an adjustable interest rate (4.0% as of December 31, 2017) equal to the bank's prime lending rate with a minimum interest rate of 4.0%. The revolving line of credit is secured by substantially all business assets of the Arts Council. The revolving line of credit is reviewed and approved for renewal annually by the bank. No amounts were outstanding under the revolving line of credit as of December 31, 2017 and 2016.

#### **NOTE 8 - TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets are restricted for the following purposes at December 31, 2017 and 2016:

	 2017	 2016
Grants	\$ 9,375	\$ 150,000
Future operating support	-	38,500
Contributed property and equipment	2,229	4,072
Other	 12,214	12,214
	\$ 23,818	\$ 204,786

Temporarily restricted net assets were released from donor restrictions during the years ended December 31, 2017 and 2016, by satisfying purpose and timing restrictions.

#### **NOTE 9 - PERMANENTLY RESTRICTED NET ASSETS**

Permanently restricted net assets as of December 31, 2017 and 2016 consist of contributions of \$33,000, the income from which is restricted to provide jazz scholarships for Hartford youths, and \$22,349, the income from which is restricted to support cultural clubs for local schools.

## NOTE 10 - BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION

The Arts Council is the beneficiary of the Greater Hartford Arts Council Fund (the "Fund") maintained by the Hartford Foundation for Public Giving ("HFPG"). A summary of activity of the Fund for the years ended December 31, 2017 and 2016 is as follows:

	2017	2016

Investment earnings	20,788	8,328
Balance, end of year	\$ 142,415	\$ 126,748

## **NOTES TO FINANCIAL STATEMENTS (Continued)**

#### **DECEMBER 31, 2017 AND 2016**

## NOTE 10 - BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION (Continued)

During 2001, a donor contributed \$50,002 to the Fund and the Arts Council's Board of Directors contributed an additional \$30,000 to the Fund. The Arts Council has recorded an asset equal to its beneficial interest in the portion of the Fund relating to the Arts Council's voluntary contribution and related earnings (losses) thereon. The Arts Council has not recognized a beneficial interest in the portion of the Fund relating to the contribution made by the donor since HFPG maintains variance power to redistribute the income from the Fund to another beneficiary. The Arts Council's beneficial interest in the Fund totaled \$46,997 and \$41,827 as of December 31, 2017 and 2016, respectively.

#### **NOTE 11 - NON-CASH CONTRIBUTIONS**

The Arts Council recognized non-cash contributions having an estimated value of \$25,041 and \$13,080 for donated supplies, advertising, rent and other services for the years ended December 31, 2017 and 2016, respectively.

#### **NOTE 12 - COMMITMENTS**

#### **OPERATING LEASE**

The Arts Council has entered into a ten year lease agreement for office space, which expires on August 31, 2020. The lease commenced on September 1, 2010 and provided the Arts Council with a base rent holiday through August 31, 2011. In addition to base rent, the Arts Council is subject to additional rent for its proportionate share of the operating costs of the office building.

Future minimum payments under the lease are as follows:

Year ending December 31,	
2018	\$ 149,796
2019	153,900
2020	 100,811
	\$ 404,507

The Arts Council recognizes rent expense on a straight-line basis over the lease term. Accrued rent payable totaling \$63,701 and \$82,574 as of December 31, 2017 and 2016, respectively, represents the excess of rent expense determined on a straight-line basis over the amounts paid as of December 31, 2017 and 2016. # INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of the Greater Hartford Arts Council, Incorporated Hartford, Connecticut

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Greater Hartford Arts Council, Incorporated (the "Arts Council"), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 14, 2018.

#### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Arts Council's internal control over financial reporting ("internal control") to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the Arts Council's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Arts Council's internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Arts Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Arts Council's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Arts Council's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
